

Presbytery of San José

January 24, 2026

Dear Members and Friends of the Presbytery of San José,

Grace and peace in the name of Jesus Christ in the fellowship of the Holy Spirit.

Below is the update and follow-up of my Special Call to Prayer and Action earlier this week regarding Mathias and our solidarity accompaniment of him as he faced ICE officials in downtown San Francisco. Please read about our journey with him, the outcome, and what lies ahead for him. Continue to hold him in prayer.

This week also brought many faith leaders together in Minneapolis, in San Francisco, and in other places, bringing the public witness of our faith and of our common humanity in protest against the violent actions of masked ICE agents and the policies that enables them to wreak havoc and fear in the hearts and lives of many.

I want to share with you the sentiment of righteous indignation of my longtime friend, mentor, and colleague, Rev. Dr. Mark Labberton (president emeritus of Fuller Theological Seminary), who shared the following today. Mark was with our Presbytery last September 2025 as our guest preacher/keynote conversation partner at NEAR Gathering 2 at First Presbyterian Church, Mountain View. Here's what Mark wrote:

ALERT: Yesterday's vivid solidarity in Minneapolis against ICE's vicious brutality is now further intensified by its next murder this morning. This kind of specialized terrorism perpetrated by our government is morally horrific and degrading to the actual victims, and to our nation at large. Law and order, including a comprehensive immigration reform policy and practice, has a legitimate and important place in our national life. ICE is NOT that. It is the opposite of that. Join resistance efforts in your location. Pursue justice, mercy, and peace. Protect the most vulnerable. Don't be silent or covered by fear. Be strong and courageous in the merciful name of Jesus Christ. (see his post at: [this link](#))

In Joy and Justice,
Neal

Being a Connectional Church Embodying Justice and Love

The incarnational witness of the Church at work.

This past Thursday, January 22nd, Presbytery of San Jose teaching elders Rev. Trevor Van Laar, Rev. Vicki Flower Minerva of Gilroy Presbyterian Church, EP Neal Presa, and members of the congregation accompanied Mathias, an asylum seeker from Cameroon, to the ICE field office at 630 Sansome Street in downtown San Francisco.

Mathias came to the U.S. legally in 2022 and awaited for a court hearing. In the meantime he did his annual check-in appointments with ICE. He waited and checked the immigration computer system and suddenly May 2025, the computer system indicated his case was dismissed without any pre-notification nor a reason. He was in limbo until Dec 2025 when the computer system indicated he was to appear on January 22, 2026 at the ICE detention center in downtown San Francisco. His attorney and he feared he would be detained, and subsequently deported.

Gilroy Presbyterian Church members joined together in prayer and donated well over \$20K toward his legal defense.

The notorious 630 Sansome Street Building, known in U.S. immigration history as the second Angel Island where many immigrants were detained and during the Chinese Exclusion Act, many Chinese/Chinese Americans were detained in this building.

The group from the Presbytery stood in line for four hours and when Mathias and his attorney finally went inside, the Presbytery group waited outside and sang hymns and fellowshiped. Mathias and other Cameroonian members in the group were members of the Presbyterian Church in Cameroon. EP Presa learned that Mama Odilia Ndze, who is visiting here from Cameroon, was a member of the PCC's Synod executive committee so they chatted about polity and the happenings in Cameroon.

EP Presa met his former seminary classmate Rev. Ben Daniel, who serves as co-moderator of Presbytery of San Francisco and pastor of Montclair Presbyterian Church and who formerly was a pastor in San Jose Presbytery. Ben's presence connected our Presbytery group with our siblings of San Francisco Presbytery. Ben came to join our Presbytery group, as he also participated in a faith leaders' gathering at the City Hall of San Francisco where Rev. Bruce Reyes-Chow addressed the crowd; Bruce is on the board of the Interfaith Movement for Human Dignity, which organized that gathering.

After waiting for nearly an hour and a half, Mathias appeared with joy and everyone hugged and huddled together.

Mathias was granted a six month extension and will receive a scheduled hearing with the immigration court, a hearing that he awaited for nearly four years.

Thanks be to God! Let us continue praying for Mathias, for the scheduling of the court hearing, that he will be granted asylum, for his family in Cameroon, and for all persons in the U.S. and around the world who are seeking asylum and who live in vulnerability and fear.

We will soon begin the sacred Lenten season from February 18th through Easter Sunday on April 5.

All members of the Presbytery are invited once again to contribute your creative writing through a brief reflection and prayer based on one of the Scripture readings from the Revised Daily Lectionary-Year A. This has been a blessing to many throughout the Presbytery and around the world as we journey together to the cross and to the empty tomb.

A report issued November 20, 2025 by the American Immigration Council indicated that without the benefit of an attorney at immigration court proceedings, people in our Presbytery have a 70% chance of being deported, often erroneously.

In response to this, the Presbytery's Peace and Justice Working Group has worked with EP Neal Presa to establish a free will offering initiative to support crucial legal counsel for people facing the threat of deportation. The Working Group and Presbytery staff have identified Peacemaking Offering and other related special funds that can provide up to \$15,000 in matching funds. This initiative will run through Pentecost Sunday, May 24, 2026.

We invite you to give generously to two organizations in urgent need:

- Amigos Center Rapid Response Network of Santa Clara County
- The Santa Cruz Community Action Board

Announcing Dates for Required Boundary Trainings

The Rev. Bruce Reyes-Chow (member at-large) will again facilitate required Boundary Training for ruling elders and teaching elders on Saturday, April 18 and Saturday, November 7.

To complete boundary training to address sexual misconduct, harassment, and child abuse prevention, you may utilize the Presbytery account with "Darkness to Light," which can be used anytime, contact EP Neal Presa or Stated Clerk Erica Rader.

Note, both sets of boundary training are required: (1) Addressing safe and healthy ministry relationships and (2) Addressing sexual misconduct, harassment, and child abuse prevention.
